

Certified elitedali™ Solutions Partner (CeP) **Agreement**

A CeP must:

-  Be a Certified Niagara AX® System Integrator Partner
-  Be experienced in DALI® intelligent lighting system commissioning, control and management or prepared to invest to become so.
-  Or, currently be specialist DALI® lighting design, installation and commissioning companies who are trained as Control Network Solutions Ltd's (CNS) Niagara AX® System Integration partners.
-  Have purchased an ***CeP Starter Kit*** with which they have familiarised themselves
-  Set up an ***elitedali for Niagara AX®*** demonstration in their own facilities
-  Completed ***elitedali for Niagara AX®*** familiarisation process to CNS's satisfaction and gained Certification
-  Commit to make ***CNS's elitedali for Niagara AX®*** their preferred lighting offering
-  Proactively promote and sell ***CNS's elitedali for Niagara AX®*** solution
-  Recognise and respect ***elitedali, eLighting*** and ***eDIM*** as the trademarks of Control Network Solutions Ltd's web based Niagara AX® DALI® lighting products and solutions.
-  Sign this document and Control Network Solutions Ltd's Non Disclosure Agreement

IMPORTANT:

All shipments are subject to CNS's standard terms and conditions of sale. Any deployment of CNS's ***CNS's elitedali*** solution products can only be carried out by a ***CeP*** and are subject to the [CNS's elitedali™ solution Software End User License Agreement](#) and in particular we draw your attention to **Clause 7**. For Clarification it is an absolute requirement of ***CeP's*** that the DALI® lighting components be installed by a Qualified, Certified Electrical Contractor and such a Contractor must adhere to all local and state regulations including but not limited to seeking local and state requirements for minimum light levels.

The benefits of becoming a **CeP** are:

- 💡 Grow both business and profitability by delivering the world's first entirely web based DALI® commissioning, control, management and maintenance solution native within Niagara AX® that directly connects DALI® to a Niagara AX® platform
- 💡 Being listed on the **CeP** web page of CNS's website
- 💡 Preferential **elitedali for Niagara AX®** product pricing
- 💡 Access to **CeP** only' information offering both a useful resource for promoting DALI® lighting control and the latest elitedali solution released software files
- 💡 Any **elitedali for Niagara AX®** business opportunity identified to or by CNS in the partners region will be forwarded to the Partner/'s for follow up
- 💡 Partners will be able to input ideas and features to the on going development of **CNS's elitedali for Niagara AX®**.
- 💡 Partners will be able to evaluate pre general released **CNS's elitedali for Niagara AX®** products
- 💡 CNS bringing other specialist partners to help **CePs** promote, quote and deliver successful **CNS's elitedali for Niagara AX®** projects
